

After Conference Time

I hope that you found your time with your child’s teacher to be helpful and informative. The teachers enjoyed the few quiet moments to build and/or renew relationships with the parents of the students who sit in their classroom each day.

I pray the plans you made to assist in the education and growth of your child will be easy to accomplish and will lead to positive advancement for them. Raising children is an important job for parents. The teachers and staff of Bethlehem are glad that you have chosen us to be a part of it. May this partnership be a blessing to the children God has placed in your homes.

At home: talk with your child about what was discussed. Be sure to emphasize all the positive comments and growths noted. Positive growth is the beginning for changes that may be needed. Share any future plans and goals that you agreed on with the teacher (e.g. more time or a better place to do homework, scheduling a vision or hearing test; etc.)

Pray for your child and with your child. Thank God for the abilities and talents He has given to your child. Ask for His continued care and support as you work toward new goals together. This is the child of the Lord who lives in your house.

Serving the Master Teacher,
Mrs. Beth Landon

Chapel Offering: Erin MacKenzie, Our Missionary

We are collecting money offerings for our missionary to Latin America, Erin Mackenzie. The students were able to meet Erin on August 31 when she was back in the United States for a few months. Our few dollars along with the dollars of others will enable Erin to continue to speak the truth of God’s word and God’s love to the many people she reaches.

We give thanks for Erin and the ministry she has in our stead in these Latin American and Caribbean countries.

Parent Teacher Conferences – Finished until 2022

Parent Teacher Conferences have finished until after Christmas. The teachers found the thirteen hours on the job to be long days. They also found the time spent with parents to be energizing and uplifting. Talking about the growth that children are showing is exciting!

The next set of scheduled conferences is after the Christmas holidays are long in the past. Between now and then, you are welcome to send your child’s teacher a note or email requesting a meeting.

A special thank you from the teachers goes to the PTO and parents for providing supper enough for our conferences nights and lunches as well. Your love in this practical way is appreciated.

Picture Day for Preschool 3 has been changed to Tuesday, November 2. Students who missed the original picture day will also have pictures taken on this date.
